Prices are subject to change and are effective as of January 4, 2023. Damage may occur during the repair process that was not otherwise preventable. Red Wing Shoe Co is not responsible for damages that may occur during the repair process. Prior work done on Red Wing boots, by other repair shops, may prevent us from repairing your boots. Due to construction methods, some styles may not be eligible for repair. We may not be able to accept footwear with cut, torn or cracked insoles. If accepted, cuts and cracks will still be in the boots. Suede and nubuck leather boots will be cleaned rather than reconditioned.
